

Weak

The diagram shows a light blue U-shaped region. A dashed line outlines a shape that is wider at the top and tapers towards the bottom, enclosing the blue region. The word 'Weak' is written in black text to the left of the top of the blue region.

Weak

Weak

The diagram shows a light blue rounded rectangular region. Two dashed lines extend from the top corners of the blue region, angling outwards. The word 'Weak' is written in black text to the left of each dashed line.

The diagram shows a light blue irregular region with a complex, wavy boundary. It is wider at the top and tapers towards the bottom.
